

# EMPLOYER HELP DESK

## WHO CAN HELP

## INTERNATIONAL TALENT ACQUISITION CENTRE (In-TAC)

## WHAT THEY OFFER

**International Talent Acquisition Centre (In-TAC)** provides a national platform to connect newcomers with Canadian employment opportunities, onsite & online. In-TAC's national business network includes partners from Global 500 companies and industry leaders in IT, finance and other professions. We match global talent with Canadian opportunities and we provide training, staffing and recruitment support services, coaching and mentoring.

- ✓ General staffing support
- ✓ Outreach to diverse talent pools
- ✓ Community engagement and corporate visibility
- ✓ Workplace training and upskilling

*Eligibility criteria may apply.*

## Key Programs & Services for Employers

### In-TAC

- With partners in Ottawa, Vancouver, and Calgary, and a global talent pipeline, In-TAC offers SMEs a variety of exceptional support services and business solutions, including:
  - Staffing solutions and work placements
  - Cultural competency training for employers
  - Workplace mentorship initiatives
  - Bookkeeping, taxation and IT support for start-ups and SMEs
- We help you build a diverse team with motivated, multilingual highly educated professionals who are ready to work
- We show you how you can leverage international talent to access global markets. Our commitment doesn't end with the hire, we provide ongoing cultural competency training and support that is specifically designed for employers

### In-TAC VCE

- In-TAC National Virtual Career Expo – Canada's largest Online Jobs & Talent Attraction Fair
- 12,000+ registrants, 150 Employer representatives, 189 cities across Canada – Spring & Fall sessions
- [www.in-tac-expo.com](http://www.in-tac-expo.com)

### Meet the Employer

- Live Online Webinar for employers to attract skills and talent they are looking for, to showcase their corporate culture, hiring procedures and practice. This is a one hour live session and can be customized into a mix of online and onsite mini job fair to meet the needs of hiring employers.

### ALESWORK

- Advanced Literacy & Essential Skills (workplace communication training for newcomers to Canada) has been able to assist skilled, professional newcomers to thrive in Canadian work roles, contribute innovative ideas and advance in their organizations, contributing to business growth and efficiency.

### Accounting Services

- A social enterprise provides bookkeeping, accounting and taxation services for start-ups, small and medium sized business and non-profit organizations. Quality professional services to meet your unique business needs at a fraction of the market price.
